Dear President/Chairperson,

**Review of the Sports Subvention Scheme
under the Leisure and Cultural Services Department**

Thank you for your reply on the questionnaire in respect of the review of the Sports Subvention Scheme (Review). Your valuable views and comments collected would be a very useful reference for the Review.

You may wish to know that the Leisure and Cultural Services Department (LCSD) has commissioned a consultant for a research study on matters including the principles, modes and mechanisms of subvention to national sports association (NSAs) and sports organisations (SOs) in oversea countries. With a view to reaching out to different levels and various interested parties, in parallel, LCSD has also provided more channels for collecting views from your members and members of the public by either mail, e-mail and fax.

Other than the above arrangement, LCSD will conduct three open forums for NSAs, SOs and major stakeholders including office bearers, members of executive committee and/or board of directors of the NSAs, subvented staff, athletes and their parents, coaches, officials and volunteers, etc., to express their views directly. Details are listed as follows:-

While members of public are welcome to express and put up their views to Sports Funding Office till 28 February 2019, your kind assistance is therefore sought to disseminate the above information to all your members and respective target groups as far as possible. In addition, for those who are interested to attend the above forums are also welcome to reserve seats on a first-come-first serve basis. Grateful if you could help return the attached reply slip to subject officer of Sports Funding Office/Sports Development Section as appropriate **on or before 15 February 2019** for reservation.
